OBJECTIVE: The primary objective of the School Management Committee (SMC) is to ensure effective governance and inclusive decision-making in the school's functioning. It brings together parents, teachers, and community members to collaboratively monitor, support, and improve the quality of education. The SMC plays a key role in implementing school development plans, overseeing fund utilization, and ensuring accountability and transparency. It empowers stakeholders to voice their opinions, promotes equitable access to education, and works towards creating a safe, inclusive, and learner-friendly environment.
